

# Customer Case Study

## Need:

A healthcare company in Michigan was looking for a reliable partner for providing consulting services for its PeopleSoft implementation.

## Solution:

Using Consultants having domain knowledge on Healthcare vertical, Computech effectively carried out the Customer's business process mapping and laid the complete foundation for its implementation. Computech also carried out the customization, implementation and maintenance of HRMS (Payroll, HR, Benefits and Time & Labor), Financial (Accounts Payable, General Ledger) and developed crystal reports like invoice listing, check listing etc.

## Benefits:

Computech provided the Customer with a 24x7 development and support facilities during the implementation and post-implementation phases.
